

A Situational Survey

to study LSP teacher job market in higher and adult education and to identify skills gap

A Common Competence Framework

to serve as the basis for a specific LSP teacher training programme

A MOOC

to upskill language teachers involved in LSP teaching from a dual perspective : LSP didactics and digital technology integration

The CATAPULT Project

Computer Assisted Training And Platforms to Upskill LSP Teachers

A Community of Practice Platform

to offer trained LSP teachers an online environment to advertise their expertise and find work (face-to-face sessions and online teaching)

An Accreditation Procedure

to guarantee the highest quality of the training offered (MOOC) and to offer certification to trained LSP teachers
